Zach Gives Back 2021

Zach Elementary is hosting our 9th annual Zach Gives Back (ZGB) Campaign, launched each November, with the purpose of raising funds and goods for local, national, and international nonprofits. We gear our events for children helping children! We typically host five annual schoolwide campaigns, one alternating year “hair raiser”, and sponsor numerous student-directed campaigns.

- Turkey Roundup (November 18th) – 4th grade champions
- We collected 180 turkeys and \$280!!
- We collected six new Chromebooks and lots of children’s books to support the Cultural Enrichment Center of Fort Collins for Black Youth

WE NEED YOUR HELP WITH THE NEXT TWO CAMPAIGNS!

- Supporting the Doreen Katz Foundation (DKF)
(November 1- December 17) <https://www.doreenkatzmemorial.org/>
 - Gift Cards will be emailed from DKF to Colorado families they support. DKF sponsors families impacted from parents with cancer.
 - Purchase on a \$50 online gift card to Walmart, Target, or King Soopers. All digital cards purchased need to be emailed to adam@doreenkatzmemorial.org
 - Walmart card purchase <https://www.walmart.com/ip/Walmart-eBooks-eGift-Card-50-email-delivery/390016306?athbdg=L1600>

PSD Vaccine Clinics

The Colorado Department of Public Health and Environment (CDPHE) is hosting the following voluntary clinics from its mobile bus at the following Poudre School District parking lots:

- 10a.m.-6p.m. on Monday, December 13th at Zach Elementary, boosters and flu shoot will also be available.
- 10 a.m.-6 p.m. on Monday, Nov. 29 at Rocky Mountain High School in the parking lot at 1300 W. Swallow Road in Fort Collins
- 10 a.m.-6 p.m. on Tuesday, Dec. 7 at Irish Elementary School in at 515 Irish Drive in Fort Collins
- 10 a.m.-6p.m. on Wednesday, Dec. 8 at Bauder Elementary School at 2345 W. Prospect Road in Fort Collins

As mobile bus vaccine clinics are added or changes are made to existing clinics, they will be listed on the [PSD vaccine clinic web page](#). Appointment registration links will also be listed as they become available.

Appointments are available on a first-come, first-serve basis to students, families, and staff. Flu shots will also be available at the clinics for free.

After receiving the first dose, a second-dose appointment will automatically be scheduled for 21 days later. Pfizer, Moderna, and Johnson and Johnson vaccines will all be available. Moderna and Johnson and Johnson are currently available for individuals 18 years and older. Booster shots will also be available to those already fully vaccinated.

To be vaccinated, individuals under 18 years old must have a parent or guardian present to provide consent. Students who are 18 years or older do not need parental consent.

These CDPHE mobile clinics are also open to members of the greater community, as well as our school community. Because CDPHE's mobile clinic is parked outdoors, no one will need to enter the school to access it.

If you have any questions about the vaccine, parental consent, or have problems registering, please refer to these [frequently asked questions](#).

PSD staff are not administering the vaccines or coordinating the appointments. The district is communicating this opportunity in partnership with CDPHE. Information about vaccine clinics is posted on the [PSD vaccine clinic web page](#).

The following are some vaccine resources:

- [“5 Things to Know” about COVID-19 vaccines](#)
- [COVID-19 Vaccines Questions and Answers](#)

Vaccine Side Effects

Reminder: Students must still follow [Return to Learn](#) guidelines and stay home with symptoms, even if it is believed their symptoms are side effects of the vaccine. Most major side effects do not last beyond 24 hours and most minor side effects do not last beyond 48 hours. Any students that have symptoms beyond the timeframe in the Return to Learn guidelines must receive a negative test or stay out for 10 days.

Student Vaccinations

If you choose to get your child vaccinated, please upload the vaccination card to ParentVue under Documents. The image must clearly show TWO vaccination shots. Then email aboice@psdschools.org to notify of the upload. DO NOT attach the vaccination image to the email. Zach will monitor our master vaccination list and once your child is 14 days out from the second shot, they will not be identified as close contacts at Zach.

Directions to upload Vaccine Cards:

- go to ParentVUE
- click on student
- click on online registration (top of the page)
- from drop down menu, choose current student & family data verification
- click on begin new registration
- verify electronic signature
- verify student data
- click on documents

ZEF Fund

We are thankful for our supportive PTO and parent community here at Zach! Through your partnership, we raised significant funds again this year that support student learning and development. To see how Zach Enrichment Funds (ZEF) are managed and disbursed, please see the two links below from the PTO page on the Zach school website. Thanks again for your support!

The Zach Enrichment Fund (ZEF) is Zach's only contribution appeal, a supplement to district and state funds that increases each teacher's classroom budget and funds teacher grants throughout the year. [Click here](#) to learn more about the ZEF application, approval, and disbursement process and [click here](#) to see how together we have created an extraordinary experience for our kids this year!

Thank You so much!

Parent Survey

Dear PSD community,

You are invited to share your thoughts to help inform the development of future Poudre School District school year calendars.

[This survey](#), available in Spanish and English, is open from Dec. 1, 2021, through Jan. 1, 2022. Families who need support with Arabic or other language translation may contact their family liaison.

Staff, students, parents/guardians and community members are welcome to respond. Results of the survey will be available publicly on the [Calendars and Schedules web page](#) sometime after the survey closes in January.

The PSD Calendar Committee will consider community feedback when creating the draft 2023-24 and 2024-25 school year calendars, as well as future school year calendars.

As it develops school year calendars, the PSD Calendar Committee is focused on the instructional needs of our students. That has long guided the committee's complex work to balance the many competing interests and needs of students, staff, families and our communities.

Survey respondents are asked to give feedback on options for consideration by the committee, such as starting the school year after Labor Day. Keep in mind that it may be logistically impossible to implement all possible options simultaneously or even in the same school year, in some instances.

Please note: The committee is only gathering feedback at this point as it creates drafts of future school year calendars. No decisions have been made, and the PSD Board of Education must vote to approve PSD's calendars prior to adoption.

Members of the public can follow the calendar process as it progresses. In addition to survey results being made public on the PSD website, PSD Calendar Committee members are scheduled in April 2022 to present draft school year calendars to the school board. Board meetings are open to the public, and agendas are [posted on the PSD website](#).

Moving forward, the Calendar Committee intends to send out a survey like this every two years. Garnering consistent feedback is an important part of the calendar development process.

Those with questions about the survey or calendar process may contact Calendar Committee Co-Chairs Melanie Mierzwa, at mmierzwa@psdschools.org, or Alicia Bono, at aliciab@psdschools.org.

Thank you for your continued partnership.

SEL NEWS

DECEMBER

EMOTIONAL REGULATION

Emotional regulation is the ability to notice and manage the different emotions we have. Supporting kids' ability to manage and regulate their emotions appropriately includes teaching children to identify different emotions, helping them identify what causes those emotions, and teaching them strategies to manage the range of emotions we all experience.

We can support these skills by helping children to find language to describe their emotional experience, as well as modeling our own healthy coping skills and communication around emotions. Building kids' understanding of the science of our emotions and responses is also key. When kids know what is happening in their brains during times of stress or challenging emotions, they are empowered with the understanding of what causes these big feelings as well as why different calming strategies can help. Dr. Dan Siegal calls this overwhelming flood of strong emotions "Flipping Your Lid". Check out the videos below for parent/educator and student-friendly explanations of the brain science behind this.
