Important Information

COVID Communication

PSD is shifting its case communication strategy and will only send notifications to parents/guardians of students identified as close contacts in high-risk cases, which are defined by the county health department. This change will take effect immediately. Email and/or robocall notifications will no longer be sent for routine classroom exposures. This aligns with the Larimer County Department of Health and Environment's recent announcement that all schools will discontinue contact tracing and quarantines for routine classroom exposures. PSD COVID-19 data dashboards will remain available for anyone wanting to monitor cases at a particular school or department. Dashboard users can filter cases by date and grade level.

New Information

Reminder About Student Pickup in Kiss n Go and the West Bus Circle

When picking up your child in kiss n go or the west bus circle, please do not leave your vehicle unattended. When vehicles are left unattended, it creates additional traffic congestion as well as safety concerns with people getting in and out of vehicles on the driver's side. If you are looking for your child, please notify one of the several staff members on duty in the orange or neon vests in those locations, and they'll track down your child for you. Thank you for your continued partnership in our learning community and thank you for your commitment to the safety of students, families, and staff.
