Bike Crew

With the warm weather approaching, we would like to get the kindergarteners riding and learning to ride bikes at recess. We are looking for a group of parents (or knowledgeable older students) to work on the kindergarten bikes. The bikes have not been used in a while due to covid and online school. They need tires pumped, new seats, bolts tightened and minor tune-ups! Please let your child's teacher know if you have some time to help us! This can be done anytime during the school day M-F. If there is a group (including adults, youth groups, boy/girl scouts or any group looking for a service project) that would prefer to meet on a weekend or after-school, this can be arranged as well.

Please email any kindergarten teacher to help out: ecvey@psdschools.org, jelemon@psdschools.org, smishak@psdschools.org

Last Day of School!

The last day of school for 2021-2022, May 25th, will be a half day for students. Students will be released 11:20am and no lunch will be served on that day. It will be a full day for staff.

*Since 2002, **SuperTots** engages kids, ages 2 to 5, in physical activity in a non-competitive environment that is safe and fun above all else. **SuperTots** knows kids are hardwired to learn through play and need to devote time and energy to recreation activities. For that reason, we've designed an engaging, skill-building curriculum in which "tots" learn through a series of fun and beneficial games. They will acquire athletic skills and fitness but also develop an interest and **love of sports**.*

“See Something, Say Something”

Poudre School District | Student Connections

It takes all of us to make our schools welcoming and safe.

If you see something or experience something that isn't right, here is what you can do

If you “See Something, Say Something”

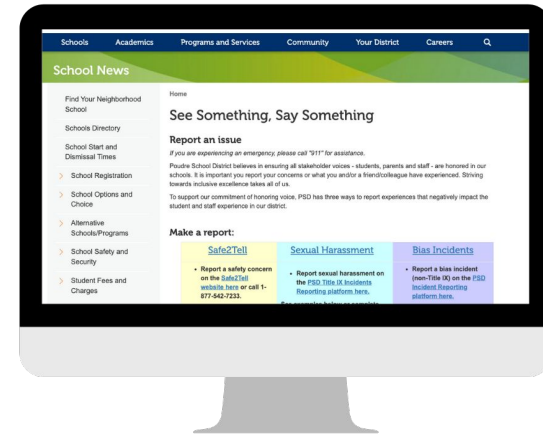

1. Tell a teacher
2. Tell a counselor
3. Tell a principal
4. Tell a trusted adult
5. Report what you saw or experienced

What is “See Something, Say Something”?

- “See Something, Say Something” is a web page where students, staff and parents can report experiences in our schools if their safety, identity or culture has been hurt.
- If something happens, the best place to start is with someone at your school or with an adult you trust.
- Our goal is to help students and staff when something happens in our school that is harmful.
- **Making a false report is serious and can lead to disciplinary action.**

SAY Something

Terms and definitions to know

Bias

A favoring of some ideas or people over others.

Prejudice

Judging or having an idea about someone or a group of people before you actually know them. Prejudice is often directed toward people in a certain identity group (race, religion, gender, etc.).

Discrimination

Unfair treatment of one person or group of people because of the person or group's identity (e.g., race, gender, ability, religion, culture, etc.). Discrimination is an action that can come from prejudice.

Intimidation/Threat

Acts that put a person in fear of bodily harm or damage to personal property. It may also cause mental or emotional stress.

Bullying

We want to know what you experience in our schools.

Sometimes people use the word bullying when it is actually something else.

Bullying is:

- The **repeated actions** or threats of action directed toward a person by one or more people.
- Bullying can be physical, verbal, psychological or any combination of these three.
- Simply put, bullying is when a person or a group behaves in ways — on purpose and over and over — that make someone feel hurt, afraid or embarrassed.

What Happens when you make a report

Email Notification

When using PSD's incident report system, the person making the report will receive an email verifying that PSD staff have received the report and will respond within three (3) working days.

Report Intake

The report is received and reviewed to classify the type of report, and school site/PSD location where the incident occurred.

Investigation

The appropriate PSD school or district staff identified in the Report Intake are charged with investigating and responding to the report.

Conclusion

Once the report has been investigated, the person who made a report will receive an email notification that the report has come to resolution.
