*Since 2002, **SuperTots** engages kids, ages 2 to 5, in physical activity in a non-competitive environment that is safe and fun above all else. **SuperTots** knows kids are hardwired to learn through play and need to devote time and energy to recreation activities. For that reason, we've designed an engaging, skill-building curriculum in which "tots" learn through a series of fun and beneficial games. They will acquire athletic skills and fitness but also develop an interest and **love of sports**.*
