Everyone at Zach Elementary would like to welcome all students to a new school year in our community! Whether you are a new or a returning student, please come by the Chalk Welcome Banner between Noon Friday 8/28 through Sunday evening 8/30. The sidewalk banner will be located on the north end of the school- along the sidewalk that borders Kechter Road. Find the grade level you will enter this Fall, take a picture, and sign your name in the block next to it! We'll also include administrators, office staff and specials teachers, so if you'd like to take a picture beside their blocks, feel free! Your family may post pictures to the Zach Facebook page- your teachers & staff will LOVE seeing them!! Please remember to bring your own chalk to sign your name! We look forward to welcoming back all families (remotely) to ZACH ELEMENTARY!!

Home schooling, Moved or Other?

If you are doing any NON-PSD school or virtual program this year, please notify Stacey Towne at stowne@psdscschools.org so that we can remove your child from class rosters.

Parent Tech Help

Here is the PSD link for parents to get help with tech. The last button "syncing" describes how a student would logon to Google Chrome as themselves if using a family owned device. This allows them to switch users so they can get into all PSD applications easily. <https://it.psdscschools.org/application/parent-guides>

We also have a new page on our Zach website focused on parent "Online Resources". Check it out [here](#)

Homeroom Rosters

Along with our computer software, teachers of the previous grade level look at behavioral/social/academic needs of our students, and learning phases impacts to place students into homeroom classes. The Zach teachers are some of the most high-quality educators in the state. The Principal does not process parent requests for teacher changes, instead this is done through our grade level teams. It's important that children experience situations in safe environments where they meet new people and learn how to socially interact with people similar and different from them. In the event you feel there is absolutely no way your child can happily function in a particular homeroom after they have experienced the first week of school, then you can contact the teacher directly between Sept 1st-3rd. The teacher will then review the request with their grade level team and make a decision by Sept 4. In the event a change is made, your child would start in their new homeroom class on Sept 8th. No changes to classes are made after this time frame.

Incoming 3rd Grade CogAt Scores

The PSD Curriculum Dept is mailing home Spring CogAT score sheets to parents of last year's 2nd graders. Parents should receive a copy of these scores in about 2 weeks.

School Meals:

Any PSD student may access any PSD feeding site regardless of their school of enrollment. It's free/reduced for those families that pre-qualify. It's a paid service for all other students. You can add to your child's meal account to prepay for meals at <https://schoolpay.com/>

Drive thru service is available at Zach and also many bus stops in our neighborhoods (if more and a mile away). Each site will be open for food service from 11:00am-1:00pm each day, and the ZACH lunch time is noon-1pm.

For more information, check it out at this link:

<https://www.psdschools.org/psd2020-21/mealsremotlearning>

Students will be able to get two sack meals - one sack lunch for that day and a sack breakfast for the following morning. For menus click [here](#)

Cost of meals:

- **Free and reduced-priced meals** - Students who have qualified for free and reduced-priced meals will receive meals at no cost. For information or to apply, visit the Free and Reduced-Priced Meals website.
- **Students buying meals** will be charged the normal breakfast and lunch prices. Because of COVID-19, the district will only accept online payments through SchoolPay accounts, but no convenience fee will be charged (typically \$1 per transaction).

Keep current on what your children are eating in the school cafeteria

Dear PSD Parent/Guardian,

Poudre School District uses a mass notification system, called SchoolMessenger, to send various types of communications to parents from schools, departments and the district. Communication methods include phone calls, emails and text messages.

- **Voice Message Retrieval Line:** All PSD and school phone calls will come from one main phone number: **(866) 316-3462. Please save this in your contacts.**
 - When parents receive or miss a phone call from PSD and/or a school, the voice message will be saved.
 - Parents can access up to 10 saved voice messages by simply calling back the number above.
 - If you call from a phone other than the one that received the voice message, you may be prompted to enter the phone number on file with PSD to access the retrieval line.
 - When you call the message retrieval line, messages will play in reverse order (most recent voice message plays first).
 1. Voice messages will play in the language they were sent (English, Spanish, Korean or Chinese).
 2. There is no ability to delete or forward voice messages. This is simply a replay mechanism to hear voice messages parents may have missed.
- **Text Opt-In:** PSD and schools can send text messages to parents with a valid SMS phone number on file in Synergy, PSD's student information system. In order to receive text messages, parents must:
 - Have a valid SMS phone number on file in Synergy (Parents can add/change this number via the Synergy parent portal called ParentVUE or by calling their school.)
 - Opt-in to receive text messages through their mobile carrier (standard messaging rates apply).
 1. To opt-in, please text **YES to 67587.**
 2. Parents will receive an automatic text confirmation that they will now receive messages from Poudre School District (both the district and schools).

Please remember, parent and guardian phone numbers, emails, language for communications and addresses are pulled directly from PSD's student information system. To update this information, please contact us at 488.5100.

Poudre School District

Dear Parent/Guardian,

Poudre School District is excited to offer an easy and secure way to make payments to both your child's meal account AND their school electronically. The District's payment portal **SchoolPay**, is available to accept payments for meals as well as payment for items such as athletic participation fees, course fees and charges, field trips, yearbooks and merchandise.

Through SchoolPay, payments can be made on-line with credit/debit cards (Visa, MasterCard, or Discover Card). You can also continue to pay by debit/credit card, cash or check at your child's school. A convenience fee of approximately 3.35% will be added to credit/debit card transactions for non-meal related items, regardless of whether payment is made on-line or at the school. A \$1.00 transaction fee will continue to be charged for meal payments to offset the credit card processing fee, rather than the 3.35% transaction fee noted above.

To use SchoolPay, you must register for a Parent Account. Your registration allows you to make payments and review payment items that are relevant to your children. Registration is free and you are not required to store any financial data, unless you elect to do so. SchoolPay is Payment Card Industry Data Security Standards certified, the industry standard for internet-based financial services transactions. All data is encrypted using SSL technology so that payment account numbers are never viewable in any part of the service.

Please visit the PSD Website and see the attached FAQ for more information about how to register and pay for items in SchoolPay. Questions about paying online or setting up an account can be answered by a SchoolPay representative at 888.88.MYPAY (69729) or via email by selecting the "Email Inquiry" option under Contact at [https:// psdschools.schoolpay.com](https://psdschools.schoolpay.com). We hope you enjoy this new service!

*******DID YOU KNOW?*******

**Did you know that certain District
and school fees/charges are eligible
for waivers?**

See page 2 for more information

OPPORTUNITY FOR FEE/CHARGE WAIVERS

If your child is eligible for free or reduced-price meals in Poudre School District for the 2019-2020 school year, you have the option to take advantage of student fee/charge waivers.

To have eligible fees/charges waived, you must:

1. Be approved to receive free or reduced-priced meals for the 2019-20 school year; and
2. Complete the 2019-20 *Permission to Share Information for Fee/Charge Waivers and Programs to Receive Goods and Services* form (*Permission to Share* form), which gives PSD's Child Nutrition Department permission to share your child's eligibility status with other District officials. These officials must also maintain the confidentiality of your child's eligibility status.

You can complete the *Permission to Share* form in one of two ways:

1. Access your child's account online via [ParentVue](#). Contact your child's school if you need assistance with ParentVue or need a new activation code to access ParentVue.
2. Complete the *Permission to Share* form at your child's school.

Once the form is entered into the system and your child is approved to receive free or reduced price meals, SchoolPay will automatically be updated and fees/charges that are eligible for a waiver will display as \$0.00 due once you proceed to checkout in SchoolPay. You will still need to go through the checkout process in SchoolPay for your child to receive the item(s) or to participate in the activity.

Your child's eligibility for free or reduced-price meals will not be affected if you do not submit the *Permission to Share* form.

Please refer to the District's Student Fees and Charges webpage (www.psdschools.org/studentfees-and-charges) for more information regarding District-wide and school-based student fees/charges.
