Volunteers

PSD is allowing us to have volunteers to support outdoor recess. We need regular volunteers to help supervise grade level at recess. Volunteers will be expected to wear an orange vest, mask and clear face shield, the school can provide.

Volunteers are expected to remain 6ft from all staff and students, except their own children of course. You will work closely with the grade level recess supervisors to support student engagement and activities. If you can commit to daily, weekly or anything in between of volunteer supervision, we would appreciate it.

Recess times we need support are as follows:

12:45-1:00 (4th grade)

1:05-1:30 (5th grade)

If interested, please email zachinfo@psdschools.org the days and times that you are available so we can put a schedule together. Thank you!

MENTAL HEALTH MATTERS PRESENTS:

THE UPSIDE OF STRESS

Are you experiencing Covid fatigue? Would you like to “tend and befriend” or “excite and delight” in stress to make it work for you? Join Amanda Brantley, Poudre School District Wellness Coordinator, and Heidi Thompson, school counselor at Olander Elementary, for “Stress School.”

Learn how you and your student can reframe your stress, renew your resilience, restore your energy, and revive your relationships. This interactive evening will focus on how our perceptions and practices contribute to our health and wellbeing. Simply by changing our mindset about stress, we can form habits that build our resilience and add tools to our toolbox to modulate our “stressometers” in school, in the workplace, and at home.

MENTAL HEALTH MATTERS PRESENTS:

THE UPSIDE OF STRESS

¿Está experimentando fatiga por Covid? ¿Le gustaría "atender y hacerse amigo" o "emocionar y deleitarse" con el estrés para que funcione para usted? Únase a Amanda Brantley, coordinadora de bienestar del distrito escolar de Poudre, y a Heidi Thompson, consejera escolar de la escuela primaria Olander, para "Stress School".

Aprenda cómo usted y su estudiante pueden replantear su estrés, renovar su resiliencia, restaurar su energía y revivir sus relaciones. Esta noche interactiva se centrará en cómo nuestras percepciones y prácticas contribuyen a nuestra salud y bienestar. Simplemente cambiando nuestra mentalidad sobre el estrés, podemos formar hábitos que fortalezcan nuestra capacidad de recuperación y agregar herramientas a nuestra caja de herramientas para modular nuestros "medidores de estrés" en la escuela, en el lugar de trabajo y en el hogar.
