**New Information**

**Immunization Records**
In compliance with the state law, all children in Colorado schools must have a complete up-to-date immunization record on file in the school office. Exceptions to immunizations must be completed on an annual basis. Students without immunizations or exemptions cannot attend school. Exemption forms are attached to this email.

**Medication**
All prescription medication must be in the original bottle and accompanied by written permission from the physician and the parent/guardian. Over the counter medications such as cough drops, Tylenol, etc. whether long-term or short-term, require a permission slip signed by a physician and parent/guardian and must be in the container in which they were purchased. Forms are available in the school office as well as attached to this email. All medications must be kept in a locked cabinet in the school health office. Students may not keep medications in their lunchboxes, desks, coats, etc. and administer them to themselves. Exceptions to this rule apply with respect to asthma, food allergy and anaphylaxis health management, in accordance with state law and PSD policy.

**Medication Drop-Off**
Medications and the required signed documents for grades 3rd, 4th, and 5th, can be dropped off at the front of Zach Elementary on Monday, October 19th and Tuesday, October 20th. Drop Off will be available from 11:00am to 1:00pm.

**Student Absence**
Student absences will be reported on ParentVue, unless the student is experiencing COVID-19 symptoms, been exposed to COVID-19, and/or been tested for COVID-19. If that is the case, please call the attendance line to report your student’s absence. Please submit your absence by 8am the day your child will be absent. To report an absence, log on to your ParentVue account [https://www.psdschools.org/ParentVUE](https://www.psdschools.org/ParentVUE) next to your student is a report absence button, click on that button, select the day(s) for which the student will be absent, enter a reason for the absence and fill in the note field. Click submit.

A note is required to excuse the absence. Absences submitted will be reviewed by the school Attendance Clerk. Absences submitted without a note are subject to being delayed, denied, or unexcused when reviewed by the Attendance Clerk. Please add to the note if your child will be absent all day or specify the times your child will be absent.

NOTE: Remote Learning should be used in situations where your student would be attending in person on their assigned A/B day but will be participating remotely. (Example: Your student would normally be at school on Monday and Wednesday but is in quarantine; select ‘Remote Learning’ for Monday and Wednesday but not needed for Tuesday, Thursday since those are already remote days) Students that are absent with no parent reporting it in ParentVue will be marked unexcused.

**Return to Learn (Attachment)**
Please see the attachment for the latest COVID-19 protocols for students.

**Vote for Zach Teacher!**
Please vote for our very own, Danielle Connors, for September’s Teacher Tuesday through Townsquare Media! She could win a bundle of prizes including $500 for her classroom! Mrs. Connors was nominated by one of our students and we want to support this nomination!

Please vote one time at each of these links by Monday, Oct. 19th at 10 am!

Reminders from Previous Family Memos

**Back by Popular Demand....**
Aisha will be hosting one more Q & A session for families. It will be on Tuesday, October 20th at 5:00pm. The session will be on Meets at:

**K-5 Drop-Off and Pick-Up (ATTACHMENT)**
Please see information on K-5 pick-up and drop-off.

**Zach Fundraiser**
Please try the new Modern Market Eatery, located at 3620 S. College, on Wednesday, October 21st 5-8pm. Fifteen percent of all sales will go to Zach. To-go orders are encouraged and please be mindful of social distancing protocols. Mention Zach when ordering!

**ORIGINAL WORKS ANNOUNCEMENT!**
Original Works is the #1 art-based program in the country, offering a very special program that allows you to have your child's very own artwork reproduced onto a number of professional, full color products. Zach has been participating in the program ever since we opened, and I know many of you have collections of your favorite items from over the years! Due to our learning situation this year, we won't be able to run the Original Works Program in the same set up that we usually do... but we have great news for you! We have set up a program with Original Works called “Online atHome” where students can create the artwork at home. You can then email Original Works a picture of the artwork and will be able to order items to be shipped directly to your homes or to whomever you would like to send your child's artwork to! Our ordering timeframe will be from October 26th to November 9th. Placing orders during this time frame will assure your order arrives in plenty of time for the holidays. More information on how to order will be coming home soon. In the meantime, you can start making the art! Please check out the following pages for more important information and requirements when creating your artwork, and to see different project ideas:

K-5 Drop-Off and Pick-Up
Map of Drop-Off and Pick-Up
This decision tool is NOT intended for cases or close contacts of COVID-19.

A confirmed COVID-19 case or close contact should follow public health isolation or quarantine instructions for return to school/work. No test result can end an individual’s isolation or quarantine period early.

*All students/staff with symptoms of COVID-19 should be tested as soon as possible.

For use in communities in Protect Our Neighbors or those the Local Public Health Agency determines is low.

Does individual have new loss of taste or smell of any duration?

Have symptoms resolved within 24 hours of symptom onset?

Did the person have Minor symptoms only
AND symptoms resolved in 48 hours
AND can person wear a mask safely?

Was PCR testing done?†

Is there an alternate diagnosis that explains all symptoms?

Can person wear a mask safely?

Follow regular Return to School illness policies if all symptoms have stayed resolved for 24 hours

Follow Home Isolation for 10 days following symptom onset AND 24 hours fever free without use of fever-reducing meds

Critical Symptom
- Loss of taste or smell

Major Symptoms
- Feeling feverish, having chills, temperature of 100.4°F or greater
- New or worsening cough
- Shortness of breath or difficulty breathing

Minor Symptoms
- Sore throat
- Runny nose or congestion
- Muscle or body aches
- Headache
- Fatigue
- Nausea, vomiting
- Diarrhea

†POC or Rapid Testing: Positive POC or rapid test results are treated the same as positive PCR results and should not be followed by confirmatory RT-PCR. Negative POC or rapid tests must be confirmed with a RT-PCR before returning to school.

In the setting of low community transmission, the following are examples of alternate diagnoses that should be considered, if the clinician believes that they explain the reported symptoms. However, if the patient has 2 or more major criteria, fever and any major criteria, known contact with a person with known or suspected COVID-19, or new loss of taste/smell, COVID-19 PCR should be pursued regardless of alternative diagnosis.

- Positive laboratory test: influenza, streptococcal pharyngitis ("strep throat"), bacterial infection
- Clinical diagnosis: worsening of known illness (such as asthma or seasonal allergies) with clear link to underlying disease
