

Dear FRHS Feeder 4<sup>th</sup> and 5<sup>th</sup> Grade Families,

As you may know, we are heading to Boston this June for our annual history tour. This is an exciting way for our students to extend their learning through historically relevant experiences that directly connect to their learning at school. These trips will help your student create lasting friendships and connections with classmates and school community, as well as gain a sense of independence.

We only have 7 spots left, and would love to have a full tour. If you have been considering this opportunity, I encourage you to register soon!
