New 2019-2020 Digital Student Directory (Attachment)

Attached is an Excel spreadsheet that includes this year's student directory. This is the first year the PTO has collected the information in an online form and distributed it digitally. The document has multiple sheets, including listings by grade and the entire school by last name. It is being shared with the parents of Zach students, teachers and school administration. We ask that it not be shared with others for the privacy of our families.

Teachers and Staff Favorite Things (Attachment)

Each year the Zach PTO asks our amazing teachers and school staff to let us know their favorite things. Attached is the updated version for 2019-2020. Check it out to discover what special thing your student's teacher might enjoy.
