

# **Staff Agreements**

## **Healthy Relationships**

We have the courage to develop healthy relationships based on trust and respect while assuming the best in others.

## **Professional Learning Community**

We will, as collaborative teams, effectively use time and expertise to continuously improve.

## **Safe Environment**

We are committed to sustaining a safe environment between staff, centered on trust and respect.

## **Shared Leadership**

We arrive at consensus when all points of view have been heard and the “will of the group” is evident, even to those who are most opposed.
