 - #6 - 4th grade social studies
 - #2 - 5th grade English
 - #4 - 5th grade Math
 - #5 - 5th grade science
 - 5th grade grew academic ELA 13 percentage points & 16 percentage points in Math
 - 69% growth 4th & 5th grade ELA for students with IEP's!!!
 - year over year we increase
 - Wonderings

- Math differences by grade from the year previous
- Does class size matter?
- How does the district look in Math and English?
- Are test scores due to the number of tests and the order they are taken?
- 1st grade - new to computers and test taking; does that make a difference?
- On MAPS- need to get clarification on percentile attached to median RIT score.
- Possible Gap Areas
 - Nobody has any yet
- Share Out
 - Teacher
 - none
 - Community
 - District Advisory Board - open position for alternate
 - First meeting held - next mtg 10/2
 - Enrollment being looked at throughout district
 - High impact team traveling to schools
 - Year long process to choose new reading program

Next Meeting: Tuesday, October 10th from 4:45pm - 6:00pm

- UIP Development
